

Project Description

- Add one lane in each direction
- Add a median separation
- Provide bicycle lanes adjacent to travel lane in each direction
- Provide sidewalks on both sides
- Provide a shared used path to connect sidewalks to the Withlacoochee State Trail (WST) at the north end of the project. The WST will not be impacted by this project.
- Add lighting to all signalized intersections
- Add a dedicated left turn lane for the southbound traffic to Inverness Middle School
