### **One-way Traffic Pattern on 62<sup>nd</sup> Street North Continues**

Tampa, FL – Continuing through November 2023, all motorists entering 62<sup>nd</sup> Street North from either Broadway Avenue or 14<sup>th</sup> Avenue will need to follow the posted detour route.

**All vehicles should continue exiting 62<sup>nd</sup> Street North via 8<sup>th</sup> Avenue East and 60<sup>th</sup> Street North.**

Electronic message boards and detour signs will assist motorists traveling through the area.

This phase of construction is allowing crews to perform roadway widening, drainage and sidewalk installation work along 62<sup>nd</sup> Street North.

The Florida Department of Transportation's contractor, Watson Civil Construction, Inc., is improving 62<sup>nd</sup> Street North from Columbus Drive to the CSX Intermodal Center. Improvements include replacing the existing drainage ditch with a closed reinforced concrete pipe system, repaving the roadway, adding bike lanes, and installing sidewalks. Construction activities are expected to finish during the summer of 2024.
