### **New Traffic Pattern on Alt. US 19 in Palm Harbor**

Palm Harbor, FL - Starting this week, drivers should be on alert as a new traffic configuration is now in place as part of the newly constructed roundabout at Alt. US 19 (Palm Harbor Boulevard) and Florida Avenue in Pinellas County.

Motorists should use caution when entering the roundabout and are reminded not to exceed the 25-mph speed limit. Advanced warning signs and electronic message boards will assist motorists traveling through the area.

Drivers are reminded that construction activities are still taking place, as crews are constructing the pedestrian islands, placing sod in the medians, and installing pavement markings and signage. This project is expected to finish in the summer of 2023.

For more information on this project or to sign-up to receive construction updates and traffic alerts, please visit [FDOTtampabay.com](http://FDOTtampabay.com).
