San Antonio, FL 33576

The Florida Department of Transportation (FDOT), District Seven, invites you to attend and participate in a Public Meeting for the CR 52 at College Avenue/Pompanac Street Roundabout in Pasco County, Florida.

The existing intersection of CR 52 and College Ave/Pompanac Street is controlled by stop signs. The proposed intersection improvements consist of reconstructing the intersection to a roundabout.

The roundabout was determined to be a safer and lower cost option compared to a signalized intersection.

The Public Meeting will be available in-person and online. Details provided for the viewing options are below.
