Drainage Work Closing Walker Road South of Fowler Avenue
Tuesday and Wednesday Nights

Tampa, FL – The Florida Department of Transportation’s contractor, C.W. Roberts Contracting, Inc., will close Walker Road to the south of Fowler Avenue (SR 582) nightly on Tuesday, April 2 and Wednesday, April 3 from 9 p.m. to 6 a.m., weather permitting.

Motorists will have to detour around the work zone using US 301 to access Walker Road.

Electronic message boards and advance warning signs will assist motorists traveling through the area. Motorists should use caution while traveling through the work zone and remain alert for construction workers.

These temporary road closures are necessary for crews to perform drainage installation work across Walker Road as part of the Fowler Avenue (SR 582) repaving project from west of the Tampa Bypass Canal to US 301 in Hillsborough County. This project is expected to finish in the fall of 2024.

For more information on this project or to sign-up to receive traffic alerts, please visit FDOTtampabay.com
