* Not currently funded for construction

Updated 03/01/2024

Southbound I-275 to Eastbound I-4

- Providing a two lane exit and constructing a new exit ramp bridge (to the inside of the interchange) from southbound I-275 to eastbound I-4
- Adding a 5th lane (auxiliary) along eastbound I-4 between I-275 and the Selmon Expressway exit*
- Providing a 2-lane exit to the Selmon Expressway*
- Changing the eastbound exit ramp from I-4 into Ybor City/East Tampa by relocating access at 14th/15th Streets instead of 21st/ 22nd Streets
- Widening the existing eastbound I-4 frontage road (13th Avenue) to two lanes

Westbound I-4 to Northbound I-275

- Widening the existing single lane ramp from westbound I-4 to northbound I-275 to two lanes
- Adding an additional merge lane on northbound I-275 between I-4 and the Martin Luther King Jr. exit

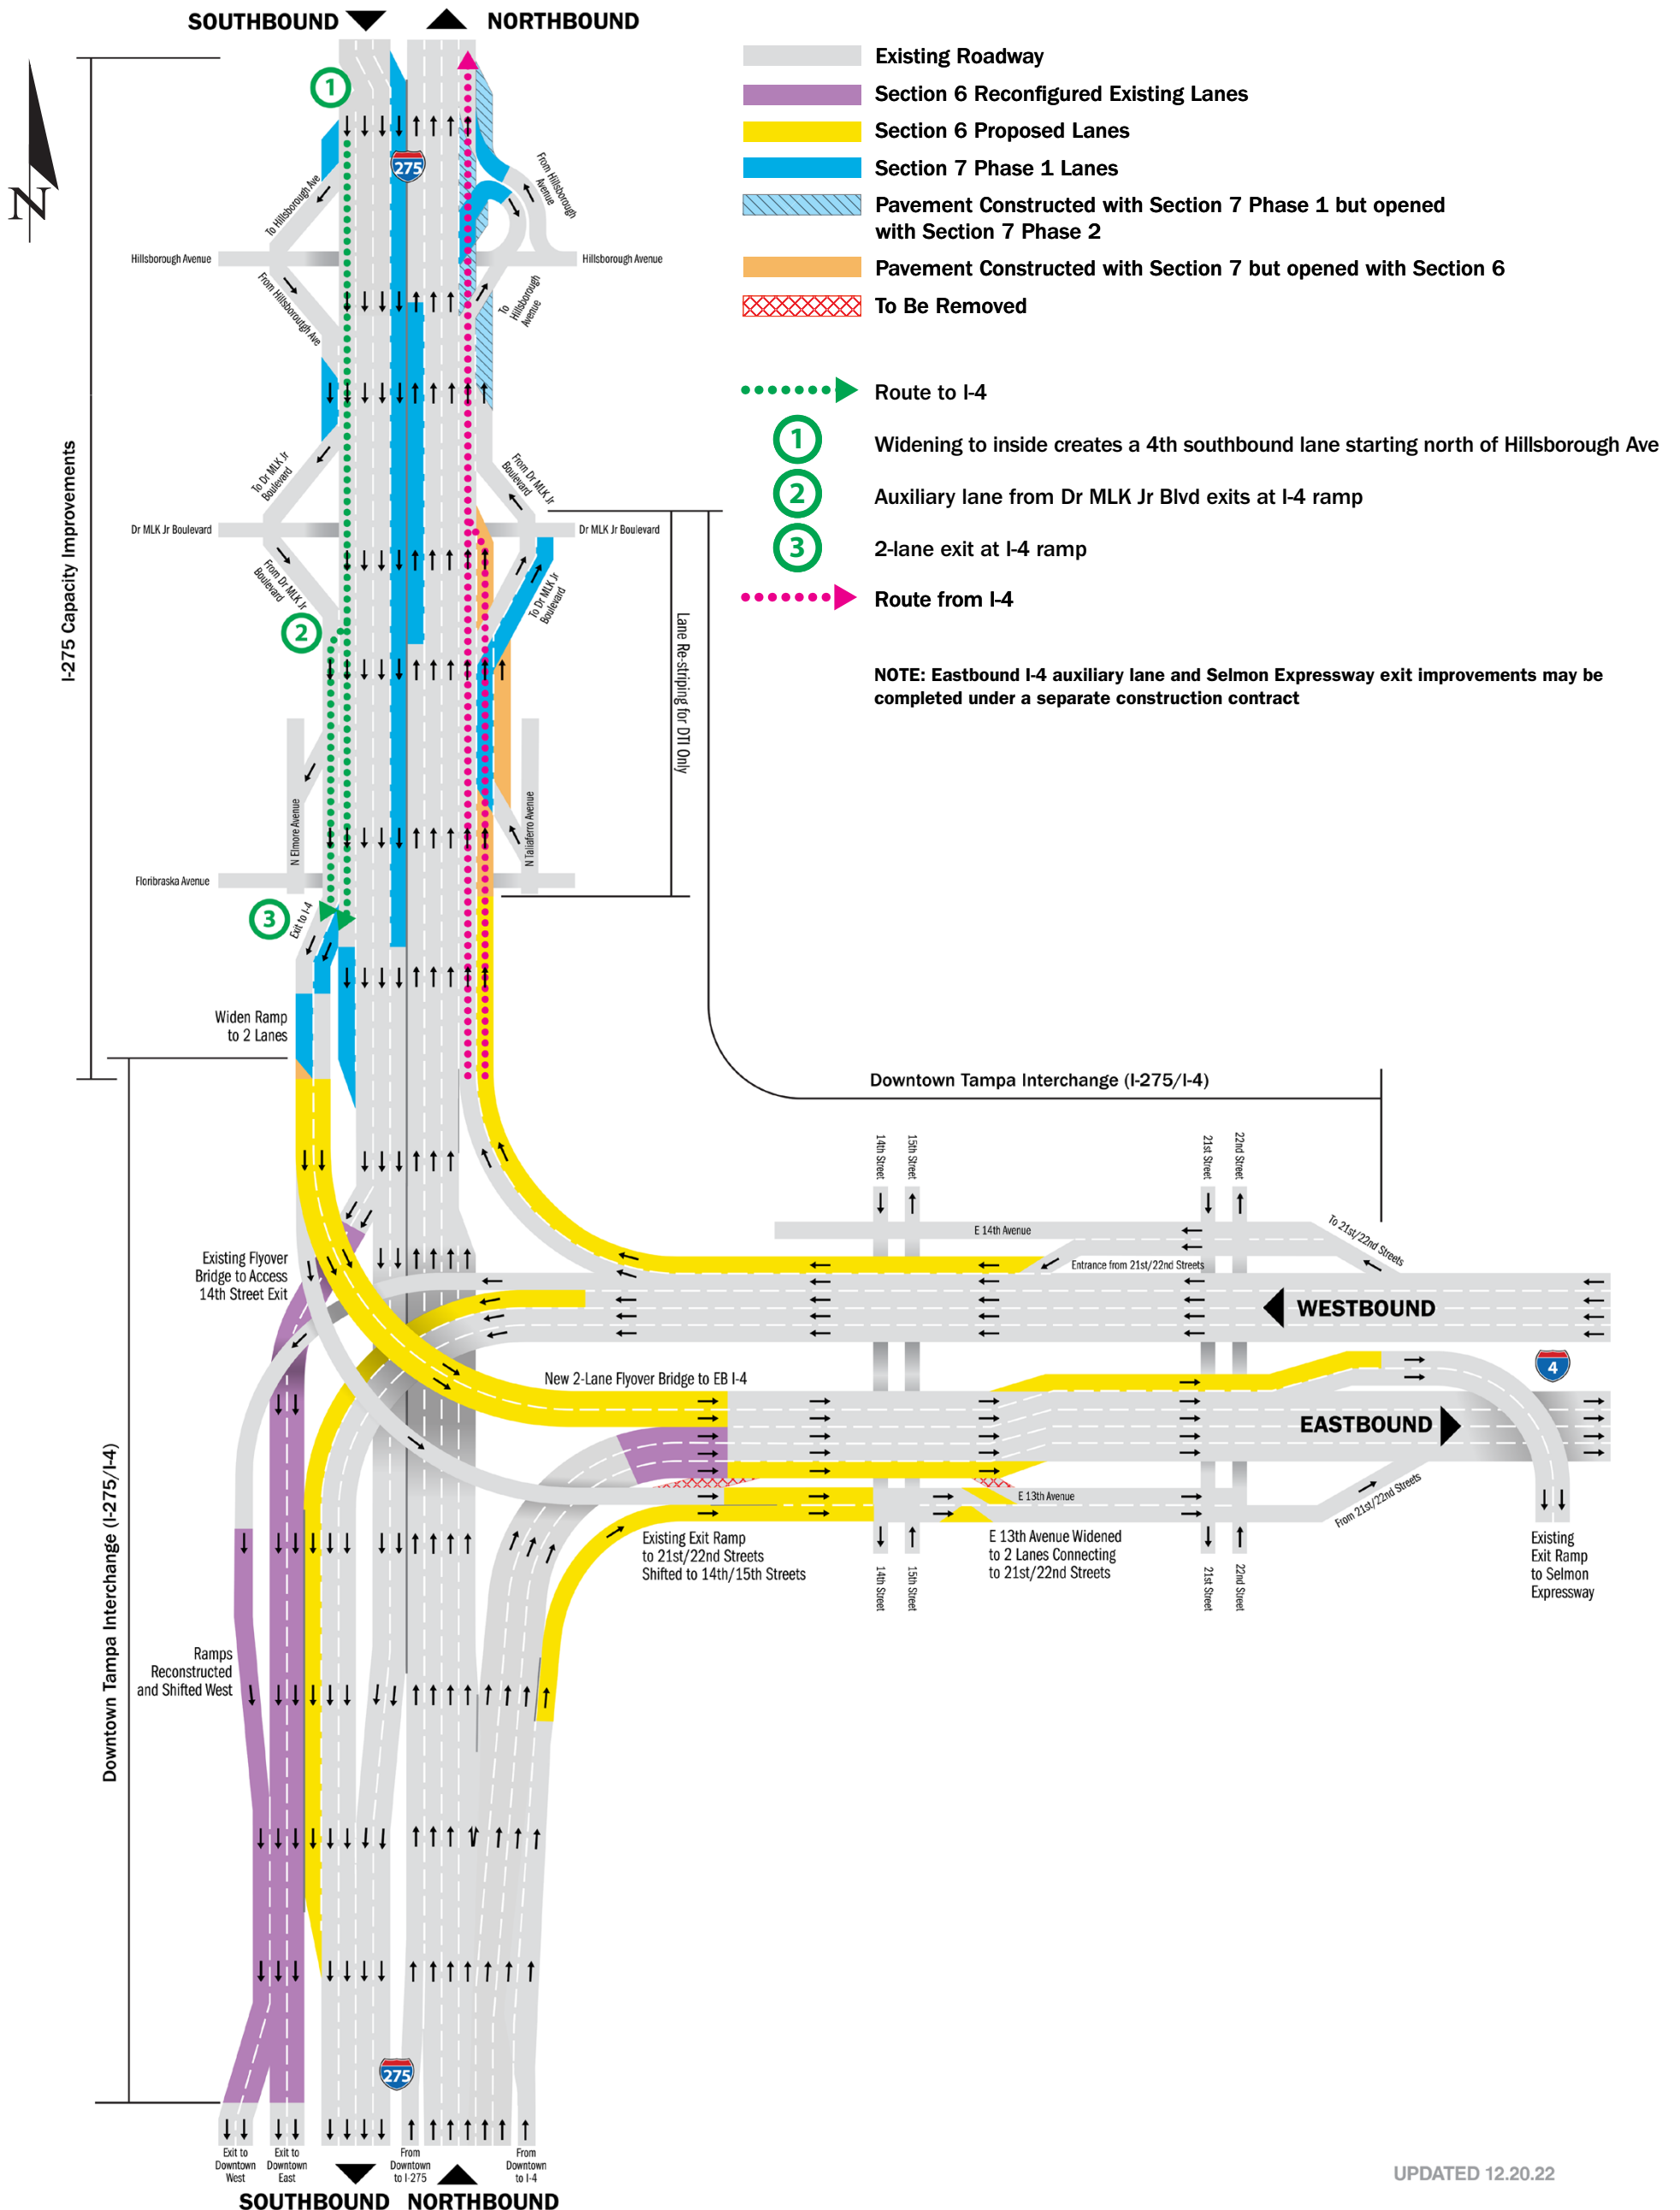

Westbound I-4 to Southbound I-275

- Widening the existing two-lane ramp from westbound I-4 to southbound I-275 to three lanes
- Widening the shoulders on southbound I-275 between Palm Avenue and Jefferson Street
- Shifting the exit ramp from southbound I-275 into downtown Tampa to the west of the current alignment

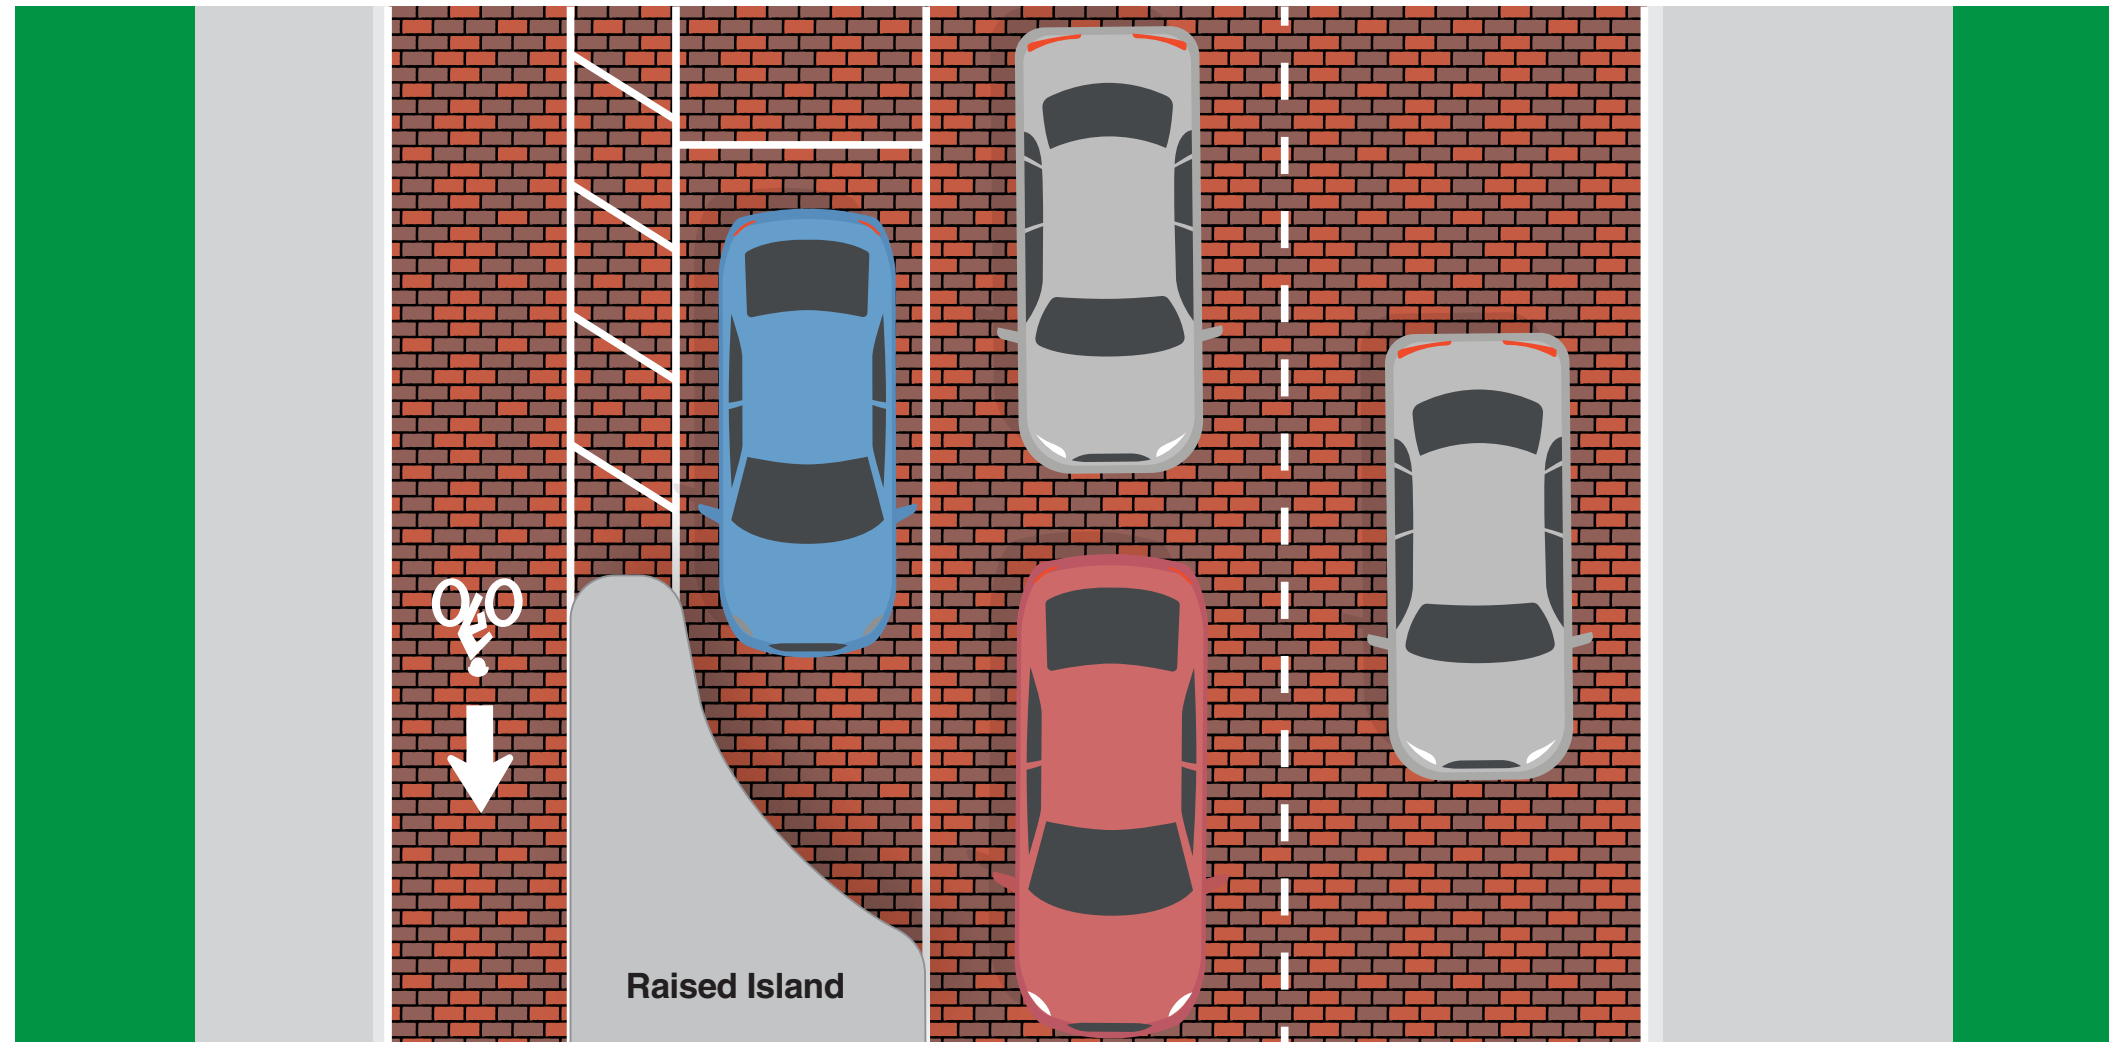

*Improvements may be completed under separate construction contract

Downtown Tampa Interchange (I-275/I-4) (Section 6)

I-275 Capacity Improvements Projects (Section 7, Phase I, under construction)

14TH STREET IMPROVEMENTS

Project Limits: Columbus Dr to 13th Ave

Project includes:

- Adding a southbound bike lane at the curb, separated by parking
- Adding raised islands at either end of the block to provide separation for parking and bike lanes

- Solar lighting
- Lighting recently installed along a portion of the existing trail
- Remainder of the existing trail and new shared use path to be constructed with the DTI project will include solar lighting

LEGEND

- Pickleball courts
- Fitness station
- Bicycle repair station / bike rack
- Gaming table

Each Community Space will include water fountains and benches.

This graphic is conceptual. As design progresses, further details will be shared with the public. Spaces will be maintained by the City of Tampa.

- » Bridge Demolition
- » MSE/Retaining Wall Construction
- » Roadway Widening on I-275/I-4
- » Sign Structures
- » Traffic Shifts
- » Traffic Signals

Note: Work activities may change due to unforeseen conditions or weather events.

CONSTRUCTION ACTIVITIES ARE UNDERWAY

Construction activities are taking place during the daytime and nighttime hours

Work requiring lane closures will occur at night between 9 p.m. and 6:30 a.m.

Occasionally, interstate ramp closures may occur at night between 11 p.m. and 5 a.m. for overhead signage and underpass work

Advanced warning signs and electronic message boards will assist motorists

To construct the project, heavy machinery will be used during daytime and nighttime hours and at times, may produce noise, vibration, and lighting impacts.

Sign up to receive information about upcoming construction activities, lane closures, and detours
