City	Clearwater Dunedin Palm Harbor
County	Pinellas
Road	Curlew Rd SR 580 SR 586 US 19
Construction Cost	\$242.6 million
Estimated Completion	2029
Contractor	Johnson Bros. Corporation, A Southland Company

About

[New Traffic Pattern Continues on US 19 from SR 580 to Tampa Road - Click for details.](#)

The interchange and roadway improvement project is modifying the existing six-lane divided highway to a six-lane controlled access roadway with one-way frontage roads in both directions parallel to US 19 from SR 580 (Main Street) to the north of CR 95/CR 39 in Pinellas County.

In addition, new interchanges will be added just north of Boy Scout Road and at SR 586 (Curlew Road) to improve traffic flow along this corridor.

A pedestrian underpass will be added between Evans Road and Republic Drive and a pedestrian bridge over US 19 is being constructed at Northside Drive.

Construction is estimated to finish in 2029.
