| <b>Contractor</b>           | Gibbs & Register, Inc.                 |

**About**

**THIS PROJECT WAS ACCEPTED ON NOVEMBER 15, 2019**

The \$3.9 million project will re-grade and stabilize the canal slopes for a distance of approximately 2600 feet along the Henry Canal from Hoover Boulevard to Anderson Road in Hillsborough County.

Improvements will resolve the slope stability and erosion issues along the drainage canal.

Construction is expected to finish in the fall of 2019.
