

SR 580 (Busch Boulevard) Corridor Improvements from Dale Mabry Highway to Nebraska Ave. 435908-2-52-01

Project Details	
Work Type	Urban Corridor Improvements
Phase	Design
Limits	From North Dale Mabry Highway to North Nebraska Avenue
Length	3.7 miles
City	Tampa
County	Hillsborough
Road	Busch Blvd SR 580
Design Cost	\$1.73M
ROW Cost	\$5.33M

About

This project will fill in the existing sidewalk gaps on the south side of SR 580 and add medians. The travel lanes will be narrowed. The speed limit will be reduced to 35 mph. Traffic signals will also be upgraded.

The project is currently being designed. Construction activities are anticipated to begin in 2026.
