About

As of September 24, 2021 all work associated with this project is now complete.

This project cleaned, repaired, and replaced parts of the SR 699 (Gulf Boulevard) drainage system under 36th Avenue in St. Pete Beach.

During construction, access was limited to local traffic only, as the work occurred along the middle of 36th Avenue between Gulf Boulevard and Maritana Drive.

The overall duration of construction impacts was anticipated to be approximately one month, weather permitting.
