Work Type	Signal and Pedestrian Improvements
Phase	Construction
Limits	US 41 (21st/22nd Streets) at Selmon Expressway
Project Start	April 3, 2023
City	Tampa
County	Hillsborough
Road	Highland Ave SR 685
Construction Cost	\$1.2 million
Estimated Completion	Spring 2024
Contractor	Traffic Control Devices, Inc.

About

The Florida Department of Transportation's contractor, Traffic Control Devices, Inc., made safety improvements to the intersection of US 41 (21st Street/22nd Street) at Selmon Expressway in Tampa.

Improvements include:

- installation of new traffic signals
- installation of mid-block pedestrian crosswalks with raised traffic separators and pedestrian refuges
- adding signage and necessary pavement markings

This project is expected to finish in the spring of 2024.
