New Traffic Signal: SR 39 at Mud Lake Road

Plant City, FL - A new traffic signal and pedestrian crossing has been energized and are now operational along SR 39 (Alexander Street) at Mud Lake Road in Hillsborough County.

Drivers should remain alert to the changed traffic conditions as motorists and pedestrians get used to the new signalized intersection.

Last year, the Florida Department of Transportation's contractor, Cone & Graham, Inc., began making safety improvements to this busy Plant City intersection by adding a new traffic signal, pedestrian signals, and crosswalks. The \$600,000 project is expected to finish next month.
