

Median Modifications on SR 60

SR 60 from West of SR 39 to West of Clarence Gordon Jr. Road
Hillsborough County, Florida
FPID 443426-1

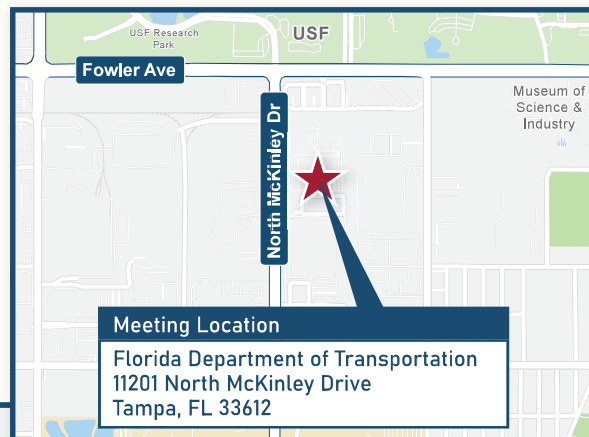

YOU'RE INVITED

Public Meeting

The Florida Department of Transportation (FDOT), District Seven, invites you to attend and participate in a public meeting for proposed median modifications on SR 60 near SR 39 in Plant City, Hillsborough County, Florida. The public meeting will be held on **Thursday, June 13, 2024 from 4:30 to 6 p.m.**

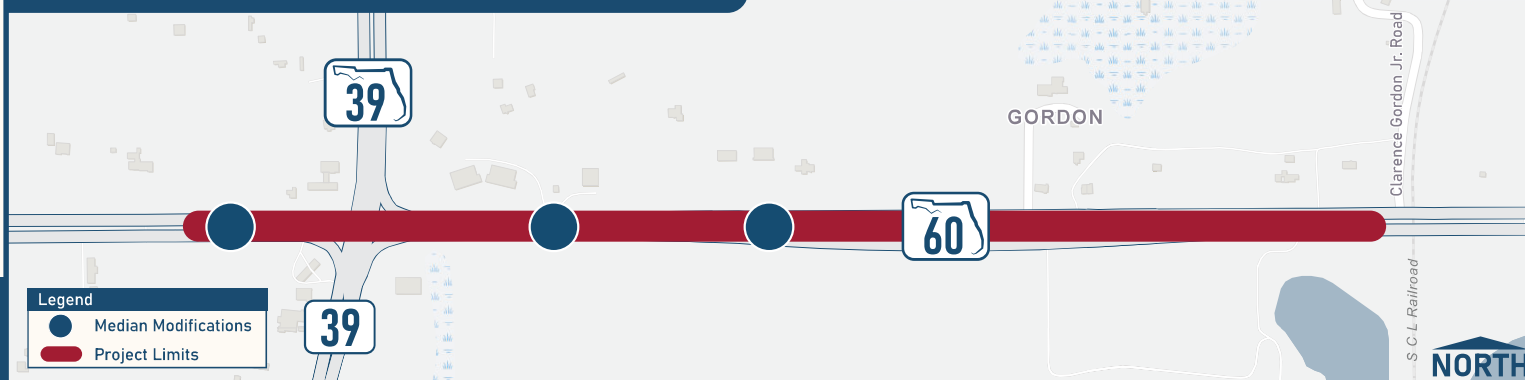

As part of this repaving project on SR 60 from west of SR 39 to west of Clarence Gordon Jr. Road, FDOT is proposing two median opening closures to the east and one median opening closure to the west of SR 39. The closures would improve safety and bring the road up to current access design standards along the corridor. The repaving project will replace the existing asphalt road with concrete. Construction is anticipated to begin in early 2025.
